

# Satyam kumar

ASSOC. FULL STACK DEVELOPER

## About Me

My name is Satyam Kumar. I am a full-stack developer with 2 years of experience as a backend developer. I have experience with Node.js, Nest.js, Express.js, FastAPI, and building REST APIs. I work with databases such as MongoDB and PostgreSQL. I am also interested in learning more technologies and improving my skills further

## Job Experience

FULL STACK DEVELOPER NOV 2024 - present

As a Backend Developer at Scriza Private Limited, I have been working for the past 2 years in the Assoc. full-stack development team, with a primary focus on backend development using Node.js and NestJS. During this period, I have successfully delivered strong performance, especially in April, and have specialized in making and developing API's. I have contributed to 7+ projects, building scalable and reliable backend systems while meeting project requirements and deadlines.
